

REMARKS

By the foregoing amendment, the claims have been amended to delete dependent claims having multiple dependencies, thereby reducing the filing fee. Such cancellation is without prejudice.

Applicants retain all rights to the subject matter covered by the cancelled dependent claims. The subject matter now not included in these claims may be reintroduced as multiply dependent claims or as separate independent or dependent claims in the present application or in a continuation and/or divisional application.

Prompt, favorable action on the subject application, as currently amended, is earnestly solicited.

Respectfully submitted,

H. van der EERDEN et al.
